THE 45 BEST NEW LUXURY HOTELS TO VISIT IN 2022

The must-visit new properties opening across the globe, from beach retreats and country hideaways to sleek city hubs.

By MARK ELLWOOD, SANDRA RAMANI

Travel came back—to a certain extent—in 2021, and with it came a host of new hotel openings. And that pipeline shows no sign of slowing down, as projects that were delayed, or even initiated, during the lockdowns of 2020 are continuing to come online. Spanning from Australia’s Gold Coast to the savannahs of Tanzania, this list of 45 hotly anticipated luxury openings includes a couple holdovers that were expected to launch this past year, but the majority are shiny new spots that have us excited for all the travels that 2022 will (hopefully) bring. Note that both opening dates and starting rates are subject to change.

Rates from \$510 per night

We told you to keep an eye on the Balearic Islands, the one-time mass-market party spot that has seen a major pivot to premium travelers in recent years. Another sign of that shift is this 35-room hotel set on a bay on the northern coast, right by the beach and at the foot of the Tramuntana mountain range, a UNESCO-endorsed area of notable beauty. While here, take your pick between swimming, biking or hiking. The best option, though, might just be to spend the day gazing out over the mountains while lounging around the hotel’s rooftop pool.
